Dear Teresa,

We are very grateful to you for your recent gift to HANDLE WITH CARE, the annual fund of Family & Children Services. Your Endowment Fund Grant of \$3,000.00 made on 10/1/2021 provides a source of hope to those who turn to us during some of their most difficult times.

Every gift to HANDLE WITH CARE plays a critical role in fulfilling our mission "to support, strengthen, and preserve the safety, well-being and dignity of children, individuals and families." Unique in its purpose, HANDLE WITH CARE provides for basic needs and critical client services when there is no other source in the community.

You are a vital part of the change felt by the nearly 6,500 clients served each year. You are helping to rebuild lives with dignity while providing a safe and stable environment for their families. We thank you for stepping up to provide critical help to those in our community who are most in need. We are sincerely grateful.

In these challenging times, Family & Children Services is a safety net for families and children in our community. You, our donors, help us to continue this work when it is desperately needed.

Hey [redacted] please give this message to the people that helped get my washer and my dryer and my stove I appreciate your help it really does mean a lot to me and my kids I couldn't do it without the people that help me out so I hope you have a great day and bless you

Thank you 😊

Thank you so very much for your generosity. This is a blessing at a very hard time in my life. Recently losing my son and husband we've been struggling; my counselor has literally been a life saver and having my rent paid is making my recovery that much more attainable. Thank you!

Being able to pay for my Assessment means a great deal to my journey of getting my license back and helping my family to be more independent now that I'm a single mother. And for the gift/donation was very generous and appreciated so much. Thank you

Thank you for the class I really appreciate it I love them.

I appreciate everything that family Services has done with me, and for my family. It helps me find new ways to bond with my children.
